To Whom it may Concern,

Prairie Erectors International Inc. will be replacing Four Culverts on Argentia Beach Drive in the Summer Village of Argentia Beach. The road closure will be between House Number 44 and 45.

Please follow all signs, barricades and speed zone limits during the period of construction between October 13, 2021 and October 31, 2021. During construction, this portion of the road will be closed for a period of 10 days. This will be noted by road closure signs on either end of the Summer Village.

When the road closure signs are present, residents from House Number 45 to 108 will need to access their homes through the Summer Village of Golden Days (via Range Road 12 and Sommerset Road, as per attached map), the gate between will be left open for access.

House Numbers 1 to 44 will continue to access their homes from the Mulhurst Bay side as per usual.

Garbage collection will not interrupted, please place your containers as per the usual schedule.
