Description: Swim for Life® is a comprehensive swim instruction program that focuses on the acquisition and development of fundamental swim strokes for learners of all ages and abilities. Swim for Life® is accessible, flexible, success-oriented and fun. Certified instructors ensure that swimmers get lots of in-water practice in every lesson.

Participants will be placed in classes based on swimming level, age and participant registrations. We reserve the right to adjust the above schedule to better meet the needs of the registrants. We will confirm your class time by June 20, 2022.

Argentia camps is changing this year from the Red Cross Swim Kids program to the Lifesaving Society Swim for Life® program. Please assist us in selecting the correct class for your swimmer by reviewing the Lifesaving Societies transition documents.

Sailing Camp

Ma-Me-O Camp:

July 11-15

Time: 9:00 AM - 4:00PM (with a lunch break between 12-1pm, where campers can bring a lunch and remain on-site or go home)

Where: #619 Ma-Me-O Beach

Price: \$250/week (If you are providing your own byte, laser, or opti sailboat \$200/week)

Ages: 8-18

Our camp is designed to teach first time sailors, to sailors looking to advance their racing skills. Sailing is a very weather dependent activity, so occasionally there are days where we can't be on the water, but there is still tons of fun to be had! From scavenger hunts to knot tying, team challenges, and tie dye, there is something to be enjoyed for every child, both on and off the water. Programming is based around the Cansail curriculum, however our camp tries to give sailors the confidence and skills to sail safely while having as much fun as possible, rather than focusing on attaining a certain level.
